RANKIN HALL VANDALIZED

On the night of July 25, 2010 our beautiful Rankin Hall was vandalized. Glass was broken and the interior was spray painted, especially the Chapel. Local thugs are suspected. A reward has been offered by the Atchison County Crime Stoppers organization, but we have heard of no results.

Shortly, you will be notified of an effort to become part of what will happen to our campus in the future. It will be up to us whether we accept this challenge or whether we are content to sit back and watch our campus be destroyed piece-by-piece.

IT IS UP TO YOU!

RANKIN HALL QUILT BLOCK OR PILLOW TOP AVAILABLE

If you have any interest in having a quilt block or pillow top for making a memory quilt or sofa pillow, please contact Pat Kellenbarger by December 30th (Email: ckellenbarger@cox.net). If there is enough interest, a California quilt shop that Pat patronizes can produce a quality photo image on top quality cotton fabric suitable for a quilt block or pillow top. Several sizes are available. The image is a classic line drawing of Rankin Hall.

Meet Your New Board Members

WAYNE GELSTON '71

In 1971 I graduated after having earned my BA in Theatre and being a proud member of Alpha Sigma Phi. I have supported all of the alumni functions.

Last year I retired from the Union Railroad Company, a subsidiary of United States Steel Corporation with 36 years service where I first worked as a Junior Clerk and then as a Yard Master. I also worked for the Pittsburgh Public Theatre and the Civic Light Opera's development office.

In 1978 I met my best friend Karen; we married in 1979. We have two sons, Justin (29) and Scott (27). Justin has Cystic Fibrosis and had a double lung transplant last fall. He is doing very well. Justin and his wife, April, have given us a foster grandson, Nicholas (five); and Scott and his wife, Renee, have given us a granddaughter, Abigale (seven months).

I was involved with the original Phoenix Group and I am honored to be on the Alumni Committee to serve you.

GRETCHEN HUMMEL INGRAM '75

I grew up in Rockford, Ill. I went to Robert Morris College for one year. I came to Tarkio in 1972 and graduated in 1975; then I moved to Kansas City, Missouri. There I got a degree in education and taught in the Kansas City, Missouri School District for many years.

I have a son in Denver and a daughter and her family live in Florida. I'm a proud grandparent of two grandchildren.

I want to serve on the Alumni Board because I'm very interested in keeping the college memories alive and keeping the alumni involved.

Fellow TC alumni,

I appreciate the opportunity and challenge to serve as the president of our alumni association. I am looking forward to the challenges and opportunities we will encounter as an organization in the next few years. I would like to thank Roger Claypool, past-president, for his efforts in leading our group. I truly feel that the Tarkio College experience is special. I often think that I should have been more involved for the many years I took my TC experience for granted. Special relationships, friendships, and a common bond of service and loyalty. I think we all feel that when we attend an event or are reminded of our time at Tarkio College. My goal is to forge a stronger unity among the alumni of Tarkio College and to connect with more alums. I would urge all of you to pay your dues, and participate in some way in our alumni activities including the annual alumni weekend. Thank you for your support!

ALUMNI WEEKEND 2010

What a beautiful weekend we had! If you weren't there, we missed you. We hope you will join us in 2011. Please note that the Weekend has been moved to one week later, June 24-26, so we won't interfere with Father's Day.

We were blessed with great weather for the entire weekend. —no wild and woolly mid-west thunderstorms. We had record crowds at all events. A special shout-out goes to Sarah Rankin Seim, Rayma Ricker Brown and Peggy Falusi Bohne for organizing the 50-year class. Thanks also go to Hall of Famer Charlie Parker '73 for treating us all to a special feast on Friday night.

We were honored to have the families of Hobart and George Lewis '40, '42 join us

for the weekend. They had asked us to provide a special memorial service for these two charter members of our Athletic Hall of Fame, which we were happy to do. We thank Pastor Rachel Lancey of Tarkio Presbyterian for conducting the memorial service. Other family members of the 1940 NAIB championship team were present to greet the Lewis family: the family Coach Newt Kyle and teammate James Arneal '42. We read a greeting from G. Lloyd Martin '41, the only surviving member of the team. This was a very special and moving part of the weekend. A thank you from the Lewis family follows.

Pictures of the entire weekend may be found on our website at www.tarkioalumni.org. Many pictures may be purchased.

Honored classes for 2011 are: 1941, 1946, 1951, 1956, 1961, 1966, 1971, 1976, 1981, 1986 and 1991. If you can help us contact members of your class, please contact us at tcaa@tarkio.net or call 660 736 4218.

You are invited to make your nominations for all honors. Check out our website for the rules and for the scholarship application also. This is a substantial scholarship made possible by those who pay their dues!

Thank You From Lewis Family

The George and Hobart Lewis families at the museum: (left to right) Jane Lewis Johnson (Hobart's daughter), Deana Lewis Walker (Hobart's daughter), Chuck Johnson, Jack Lewis (George's son), Greg Lewis (George's son), Aaron Lewis (Greg's son), Rachel Gross (Greg's daughter), Janet Lewis, wife of Jack.

On June 17-18, a Hall of Fame weekend was held for a small college in Tarkio, Missouri. It was a time for classmates to see and hear from the latest members entering into the Tarkio College Hall of Fame. It was a time to reminisce, and a time to learn of great news about the future of the college.

For the Lewis family it was a time for a final good bye to two members from the Basketball National Champions and Charter Members of the Hall of Fame: George E. Lewis and Hobart E. Lewis.

On behalf of the Lewis family, I want to convey to the Tarkio Alumni Association our deepest gratitude for the opportunity to have a service at the gymnasium during your weekend. It was fun to hear stories of them during their school years.

Although we are not alumni, Tarkio College will always be dear to our family.

Thanks again,
Jack Lewis

IN THE NEWS

Maxine Mehaffey Arneal '45 was featured in the North Bend NE Eagle with an article on February 3, 2010 honoring her 60-year membership in PEO.

We're late with this news, but news of a birthday card shower for Janett Evans Adams '52 was announced in the Tarkio Avalanche in June. We bet she would still enjoy hearing from you, so cards are still welcome at 711 Broad Street, Tarkio, MO 64491.

Vince Else '58 was inducted into the Iowa Volunteer Hall of Fame in February and was featured in the Corning, IA paper with an article and picture. He and his wife were honored for their 50-year dedication to their Share-A-Toy program. Congratulations, Vince!

Sydney Pearce Cooper '62 got lots of press for her retirement from teaching music in the Tarkio Public School System after 48 years. There was a big article in the Tarkio Avalanche and then she was also featured on KMA Radio in Shenandoah.

Gary Bussard '63 got his picture in the paper too for helping with the Shoes for Orphan Souls program through Rotary International.

Johnny Wilcox '60 made the Tarkio Avalanche twice this past year. First, with his appearance as part of "Kiss" at the Celebrity Waiter Dinner fund raiser for the Fairfax Community Hospital and later as one of the workers who cleaned up the campus for Alumni Weekend. Thanks, Johnny, for your service to the community. You represent us well.

Congratulations, Sydney.

Mary Beth Rhoades Bredensteiner '71 and Carla Summa '91 were also featured in the local Tarkio paper for their work in cleaning up the campus. Thanks, ladies.

ROCKY MOUNTAIN HIGH #2

In last year's Phoenix, we outlined Bob Doran's '69 remembrances of John Denver being on campus. This article brought a response from Gene Skakin '66 who said he thought Denver was on campus in either 1964 or 1965. Your editor graduated in 1965, but doesn't remember this at all. Gene said he also remembered both the Kingston Trio and the Inkspots being on campus. Now, I remember Cab Calloway playing a Homecoming Dance! There was another major swing band there one other year, but my memory fails me (nothing unusual these days!) Any other good memories out there?

MYSTERY SOLVED!

In last year's Phoenix we were looking for the identification of children's author Hippy Bob. Bob Novic '67 sent us the answer, and we thank him. Just proves somebody is reading our efforts there! Hippy Bob is Robert B. Hunter '70 and his wife is Diane Cliffe '72. Read more about him at hippiebob@me.com.

MOTEL PLAN NOT TO BE

We are sorry to inform you that despite all of our efforts over a two-year period, we have been unable to secure a new motel plan for you. We are just too small a player to be included in the big boys promotional efforts. If you know of a legitimate fund raising effort that we might consider, please let us know. Again, our apologies. We tried!

LETTERS AND E-MAILS FROM OUR FRIENDS

Every year we get a lovely note along with a generous donation from non-alum Ted Proffitt in memory of his three sisters. We thank him for both.

Janet Marti Cook '69 sent us a nice note on behalf of her mother, Elizabeth Cunningham Marti '40 stating that she would not be attending her 70th reunion.

Peggy Kelly Brown '40 did send us a note she was attending, and we were delighted to see her. Check out her picture under the Classes on our website, www.tarkioalumni.org. She remains very active, golfing twice a week, working in her church, doing crosswords and working in a homeless shelter! She sent an amusing quote that said when she was in school the Torch ran an ad saying "Tarkio College: an education, a job and a mate in four years or your money back." Since she got all three, she remains grateful to Tarkio College! She also thanked the Board for their continued work in keeping the Association alive.

Ruth Ellen Keller '40 also sent us a picture and letter saying she wouldn't be at the reunion and bringing us up-to-date on her life. She retired as the personal secretary to the CEO of Flint CO. She is a legacy member of PEO and enjoys cruising.

We also heard from Beverly Bennett Held '40 that she couldn't come either, but she did marry one of the professors, McDonald Held so she was another one that met the Torch ad! She commented on TC's fine reputation.

Beatrice E. McPherson, widow of Hall of Famer Paul "Mac" McPherson '41 sent regrets that she could not attend the memorial service for the Lewis brothers. She commented that her husband was close to the Lewis boys as they all played on the 1940 NAIB National Championship team and were charter members of the athletic Hall of Fame.

Maxine Mehaffey Arneal '45 sent us a letter updating all of her family news. She is active in PEO (see additional

article else where) and her three nieces, Linda Mehaffey Lee '69, Susan Mehaffey Slaughter '69, and Karen Mehaffey Potter '73 are also active members. Grandson Nathan Arneal, one of our early scholarship winners, is now the owner/editor of the North Bend, NE Eagle. Nathan is the son of Steve Arneal '70.

Barry Rosengrant '55 wrote that he could not attend Alumni Weekend 2010, since he was so actively involved in Petromax as the CEO and V.P. of Marketing. Check them out on www.PetromaxTechnologies.com.

We always receive Christmas greetings from several alums. Larry and Lavina McKee Pattee '57 are living in Big Lake, MN. They had been cruising in the Baltic and had met up with Schutz friends in Norway. Lavina had also been to Disney World with daughter and grandchildren. They also went to a Schutz reunion in July. (We would like to get more info on this reunion for future publications.) They got to see the Macy Thanksgiving Day parade with family.

Nancy Klem Morrow '58 sent us holiday greetings to from her and her 8 cats. And I thought I was bad with four! She continues to do work with cancer support groups and gardening.

A short note from Ruth Bunn Seim '61 accompanied a very generous gift to the Association. Thank you, as always, Ruth!

We had an email from Richard Emerson '64 telling us he finally got his computer fixed. Richard has done a lot of work for us locating addresses for those in the early '60's. We are grateful for his work.

Sue McKinley Oakes '65 emailed us her regrets regarding Alumni Weekend, but bringing us up-to-date on her activities. She has been working as a family therapist in Omaha. She has two sons and one grandson. We hope to see her at another Alumni Weekend soon.

Jim Lavelle '65 emailed is a nice

thank-you to treasurer Mary McAdams for providing access to the Alumni Museum when he was in town. It has been nice to reconnect with Jim after all these years.

We also heard from William (Bill) Willis '65 bringing us up-to-date on his life and whereabouts, along with his dues. He had been in contact with Carl and Margaret Shields Marti, before Carl's passing. He is an ordained minister working with the Presbyterian Home for Children in Talladega, AL.

We received an email from Virginia Tech announcing that Richard Stratton '69 had been given emeritus status as associate professor of education in the College of Liberal Arts and Human Sciences.

We had a brief note along with dues

from Twyla Briley Jagger '72. Thanks, Twyla!

Samuel L. Dubin '74 sent us a nice Christmas letter and stated he was enthused about the senior center on campus.

Francine Ashby Evans '78 emailed us that she has retired from the IRS as Special Agent in Charge of Criminal Investigation Division, St. Paul, MN office. Congratulations, Francine! We hope to see you at Alumni Weekend soon.

Carmel-Beth Renko Kemerling '79 was named Administrator of the Tarkio Rehab and Health Care effective January 4, 2010.

We thank all who have emailed or written to us. We look forward to hearing from others.

DOES THIS MAKE YOU ANGRY OR WHAT???

When searching the Internet for news, your editor came upon this site: FAKE MISSOURI DEGREE PACKAGE. Guess who was listed there? You're right! We are!! What an insult to those of us who earned legitimate degrees from our noble institution. Does anyone out there know how to stop this? Your editor knows of at least one person who never attended Tarkio College claiming to be a graduate.

Can You Help Us Locate These Alumni?

If so, e-mail us at tcas@tarkio.net
